**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr Allan Drummond

**Date received:** 16 October 2017

---

I support a legislated fair price for solar. This will encourage people to invest in a solar system, knowing they are not being ripped off. The price should be the same as the electricity retailers buy electricity for from the main generating stations. Solar electricity is the way we MUST be heading to keep up with other countries, encourage a new and vital industry, and protect the environment
