

**Submission  
No 115**

**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Ms Margaret Henley

**Date received:** 16 October 2017

---

I think it is time that we all stopped pandering to big power companies and listened to the everyday user of power. Many of us are creating power through our solar systems but getting very little for the feed-in, much less than it is worth. If the feed-in price was increased there will be a greater incentive for many more Australians to install solar roof systems.
