**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Mr Terry Holdom

Date received: 16 October 2017

NSW should support a non polluting renewable power source that has a fair feed in tariff that takes into account the DEPLORABLE state of our environment. Good politicians make good policies & are remembered. The others take the tax payers money & disappear.

Q- Is a politician a public servant or ??????

Thank you for your time
