**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr Michael Kerr

To whom it may concern. Just submitting that seeing you are holding an inquiry that I as a voter and a consumer fully support rooftop solar and renewables where the feed-in tariff should represent the true value of solar and we need a legislated minimum feed-in tariff that is fair. It is time for politicians to stand up for consumers and not vested power interests.
