

**Submission  
No 150**

**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr Barry Graham

**Date received:** 16 October 2017

---

I support a legislated fair price for solar;  
What your experience with your retailer has been;  
I think NSW needs a legislated minimum feed-in tariff that is fair;  
The feed-in tariff should represent the true value of solar, this means recognising  
the environmental and health benefits and the network benefits of rooftop solar.  
I support for rooftop solar and renewables, not old polluting sources of power.
