**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Ms Phyllis Setchell

Date received: 16 October 2017

I am writing to express my concerns re the unfair amounts being awarded to solar owners.

My retailer Origin Energy is letting me down by not doing the right thing. 6 cents has recently gone up to 9 cents - still an unfair amount.

I support a legislated fair price for solar.

NSW needs a legislated, minimum feed in tariff that is fair

The feed-in tariff should represent the true value of solar, this means recognising the environmental and health benefits and the network benefits of rooftop solar.
