**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Mr Paul Austin
Date received: 16 October 2017

I support a legislated fair price for solar - lets be serious getting 12 cents back when they sell it for 40 cents.... a complete rip off. he feed-in tariff should represent the true value of solar. This means recognising the environmental and health benefits and the network benefits of rooftop solar... come please enforce better feedin tariffs for NSW. Thanks
