

**Submission  
No 216**

**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr David McLeod

**Date received:** 16 October 2017

---

I support a fair price for solar feed in. If a consumer continues to pay full daily network access fee to the grid and receives less than a third of the price for the feed in to that grid there is an inequity that must be addressed.
