**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Ms Anna Yeatman

Date received: 16 October 2017

I support a legislated fair price for solar.

I strongly support domestic and industrial solar.

I am delighted with my own solar system and experience. I also have a terrific provider - Powershop--which is fully transparent in its pricing and also supports green energy.

We need urgently to transition to a post-carbon future in the interest of this state, our country, and planet earth.
