

## **INQUIRY INTO WINDSOR BRIDGE REPLACEMENT PROJECT**

---

I would like to oppose the building of the replacement bridge for Windsor and request that a by pass be considered.

I have lived here for 30 years and would miss if Thompson's Square was taken over by the replacement bridge.

I appreciate the historical significance of this area and while I live in a Macquarie Town, I very much appreciate that the Thompson's Square is also an area that has much history and significance. Once the Square has gone, it will be gone forever. I would love the government to agree that it has made a bad decision, it takes alot of guts to do so., and build a by-pass bridge instead.

Thanks for your time and consideration of this matter.
