## **INQUIRY INTO WINDSOR BRIDGE REPLACEMENT PROJECT**

**Name:** Ms Louise Nicholas

**Date received:** 16 January 2018

---

16 January, 2018

TO WHOM IT MAY CONCERN

I have over the past 12 months discussed with friends who live in the Windsor area the proposal of the State Government to build a new bridge over the Hawkesbury River which will, in their view, severely compromise the amenity and historical significance of the area.

They have described the proposal as an industrial 'quick fix' which will enable multiple truck movements and is not designed with any other object in mind, despite the area being already a functioning residential and commercial precinct of significant cultural and historic value.

The Nepean Hawkesbury area is one of diminishing beauty and requires the utmost care in planning for the future. Please do what you can to preserve this unique but fragile area.

Yours sincerely,

Louise Nicholas
