**INQUIRY INTO WINDSOR BRIDGE REPLACEMENT  
PROJECT**

Sir,

I wish to protest the current plan for the Windsor Bridge. Up to 3 thousand trucks cross Windsor Bridge every day [CAWB 2017 Traffic Survey]

While I think the current plan will be bad for local businesses, a bypass taking trucks AWAY from Windsor Bridge and Thompson Square would help business and tourism. I recently drove the Pacific Highway, turning off to Wauchope. All the towns we used to go through are now bypassed, and I think it works very, very well. Windsor needs this too! Thompson Square is the oldest Town Square in Australia and it will be a shame for it to be damaged or altered. There are many Heritage buildings in the area, which bring tourists to the area, and again, benefit local business.
