INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN NEW SOUTH WALES

I taught guitar for 30 years and I had lot of intellectual property problems. It always feels like people sneak up behind me and steal the words out of my mouth.

Who writes and does what, where the ideas come from and who gets paid cause some massive, bitter and nasty arguments - especially if it involves drugs and alcohol, an invasion of privacy or a personal attack.

Is it fair comment that all my life was a

advertising stir?

God Bless
