**INQUIRY INTO WINDSOR BRIDGE REPLACEMENT
PROJECT**

Name: Ms Rhonda Hopwood

Date received: 28 January 2018

As a former resident I hope that someone will stop the destruction of Windsor and its historic Thompson Square. The heritage of that place is priceless and needs to be saved from development at any cost.

To destroy this area for a road project that does not even fix traffic or flooding issues is criminal and can never be justified. Put the new bridge somewhere nearby to take all the heavy traffic and leave the heritage bridge alone.
