INQUIRY INTO WINDSOR BRIDGE REPLACEMENT PROJECT

Name: Ms Jessica Butz

Date received: 28 January 2018

To whom it may concern,

I would like to express my opposition to the Windsor Bridge Replacement Project.

My interest in this project comes from visiting the area for the last six years to visit my mother who is a resident at Wilberforce.

I have known of this project's existence for some time and have witnessed a lack of communication between local government and the RMS and the Hawkesbury community.

There is a seeming lack of respect for the local history of the area, as well as the whole of community outrage and opposition to this project. Traffic flow will not improve with the project and the area wouldn't benefit greatly from a by-pass. The Hawkesbury community is being ignored.

Thank you,

Jessica Ballantyne Butz
