OTHER OPERATIONAL ISSUES**

Please shut down Parklea correctional facility.

Its right in the middle of densely populated residential area with child care and schools all around it.

There has been so many incidents over the last 8 years as a resident of Parklea Drive we have been fed up and causing us undue stress and inconvenience.

The alarm goes off in the middle of the night. The bus stop and shops around us polluted with horrible people from the facility. I have seen the guards taking the inmate for a walk around the community in large groups.

This is so sad to see how on earth the council and the state government allow this to be happening in the middle of the residential community. I found it so blizre when the extension of it approved and built recently.

Please take this facility out of parklea. Send them out in the middle of no where. They don't deserve to be here or please buy the houses around it so the noise and pollution from them are hidden among the houses around them. We are fed up with being treated with disrespect and as a community we deserve to live in peace. Please shut it down and convert it to a retirement village or sell of the land for residential or extend the shopping complex.

So glad there is an inquiry finally. Please don't let us down.

Cheers
