I worked at Parklea Correctional Centre from February 2010 until 25 April 2011. I was part of the transition team sent from Junee Correctional Centre to Parklea Correctional Centre. I'm aware of many security breaches that were not reported on the IRM system on OIMS lost keys, cell doors left open, inmates moved around after lock-in hours, inmates segregated after their time had elapsed initial 14 period. Operating of centre with limited staff, inmates making personal phone calls on in recorded jail phones, making phone calls off office phones in reception as part of a deal to keep them back after hours for the same pay. Inmates caught watching Burt DVD in reception room and no punishment dealt to officer who supplied burnt copy of DVD. Mobile phones and contraband was freely flowing in from staff.
