**INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN
NEW SOUTH WALES**

Name: Mr Andrew Galea

Date received: 15 February 2018

As an original band it's easier for us to get work in the USA than in Australia. there are no provisions either on radio or live venues who support local original music that are easy to obtain access to without a selection process. I think original music should be encouraged not suppressed to suit certain a demographic. Thanks for the opportunity to voice my input.
