**INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN
NEW SOUTH WALES**

Name: Mr Scott McCubben

Date received: 19 February 2018

I believe that all pubs and clubs should be allowed to have live performances by musicians up until midnight and venues with special permits allowed to operate later . Music is good for the community and will encourage people but especially young people to go to a controlled venue with responsible service of alcohol and security instead of them roaming the streets with nothing to do, this is very prevalent in country towns. I'm a 45 yr old with teenage children and I drive a taxi so I really see and understand a need for entertainment like this . I believe that the government should support and encourage young musicians and live venues
