Partially  
Confidential

What the hell music is out life music helps everything from new born babies to sick children who have to stay in hospital for months or even years why do you think there is children's music like the wiggles and a lot more and for a lot of people who are suffering from mental illness to depression and anxiety like me that needs to be able to listen or even go to live concerts to just to be able to get out of bed everyday so leave our music alone . Work on something that needs to be taken away
