**INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN
NEW SOUTH WALES**

Name: Mrs Shirley Bennett

Date received: 20 February 2018

I would like to see live music still available for the future generations, I have a family of musicians 7 children, 16 grandchildren! !! Music is so engrained in their world! Before television, my mother played the piano most nights!! Other nights we listened to music on the stereo or radio!! Music is food for the soul and live music to feel and watch the talents of musicians is becoming rare as venues are struggling to stay open because of lack of support!!
Please continue to support not suppress live music!
Thankyou!
