**INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN
NEW SOUTH WALES**

Name: Mr Wade Cawood

Date received: 21 February 2018

The ticketing challenges need to be addressed seriously, the fact that the state govt gives millions to other artist that don't generate anywhere near the ticketing income that contemporary music does is a joke, and the state needs to put its head down and develop a cohesive contemporary music strategy to ensure that music in the state is an asset that is realised to its full potential.
