**INQUIRY INTO THE MUSIC AND ARTS ECONOMY IN
NEW SOUTH WALES**

Name: Mr Warren Rosser OAM

Date received: 28 February 2018

Music is the escape that a community needs. It connects people, it allows people to communicate in a shared language of the appreciation of music. There are so many great musicians in Sydney that don't get the opportunity to deliver their talent because of the lack of venues in Sydney.

Please make this happen. Get people off their couches and into venues that play great music, bring people together
