INQUIRY INTO STATE SENATE BILL 2015

Name: Name suppressed
Date received: 20 March 2018

Partially
Confidential

That a proposal to rename the Legislative Council and titles of Members would be given even the most cursory attention is a shocking indictment of the priorities driving the business of the NSW upper house. The proposal is a waste of time, has no basis in popular sentiment and the time taken up in considering it would be better spent on other issues.
