## **INQUIRY INTO MUSEUMS AND GALLERIES**

**Name:** Mr Alan Landis

Dear Sir,

My name is Alan Landis,I am a Life Fellow of the Museum, I have never written to a Member of Parliament before,but I am so upset by the decision of this Government,I am really stressed out.

This is a very bad move,on many counts and will ruin the heart of our great city.I have been a passionate supporter of the Museum for forty years and helped establish many collectors societies.

In discussions with a majority of them,they will not go or support by donation or time a move to Parramatta,surely funds spent on this action could be better spent elsewhere and both the range of objects in the collection a sample could be placed in a "re-cycled" historic property in Parramatta,where sport is more appreciated.

Please Sir,use your vote to stop this catastrophe!!

Thank you for your time,

Alan Landis
