INQUIRY INTO SYDNEY STADIUMS STRATEGY

Dear Sir/Madam,

Regarding the stadium at Moore Park, I wish to express my objection to the demolition of the current structure and construction of a new Stadium.

Stadium and sports club buildings have already encroached too much on Moore Park lands. Precious green space is being eroded and used for car parking.

It is a poor use of public funds and resources to tear down and rebuild the current stadium.

I urge you to:

1. keep the current structure but refurbish as necessary
2. Improve public transport options to reduce vehicle parking on green space
3. expand and improve the quality of green space in Moore Park, in line with the original intent and best public use of this land.

Regards,
