INQUIRY INTO SYDNEY STADIUMS STRATEGY

- The Government's failure to engage in any meaningful community consultation
- The Government's unwillingness to release the strategic business case to justify the proposal
- A benefit-cost ratio of less than one – meaning the project will cost far more than it benefits
- Disruption to the surrounding residential (conservation) areas and parklands from demolition, construction and operations, which will not only include sporting events but large music concerts.
- Ongoing loss of trees to facilitate an expanded footprint of the new stadium.
- Increased traffic congestion – the combination of the sporting stadia and the widened road to accommodate the Alexandria to Moore Park Connector from St Peters Interchange to Anzac Parade is a recipe for further gridlock
