INQUIRY INTO SYDNEY STADIUMS STRATEGY

Name: Mr Tony Corkill

Date received: 22 May 2018

Protect fine architecture

Do not waste money without proper analysis

Do not create more problems for such a significant site.

Protect the parklands.

Do not spend so much money so that a few elite rich people can have special seats and bar.

The number of events can't possibly support such a wild cost.

We already have a very fine venue to watch football.

There are more pressing needs for the city such as schools, hospitals, parks and infrastructure.
