INQUIRY INTO SYDNEY STADIUMS STRATEGY

Name: Miss Denise Barsoum

Date received: 22 May 2018

Dear Senators

We urge you to take notice of popular demands and requests re our environment and proposed changes. We do not want any further changes as these are costly and are endangering public life.

There are too many issues at stake and we have been constantly ignored over the years. Democratic voting system means that everyone has the right to an opinion and this is measured gathering votes collectively. We now vote against the proposed changes and this requires your full consideration and due respect.

Thank you

Sincerely yours
Denise Barsoum
