INQUIRY INTO SYDNEY STADIUMS STRATEGY

Name: Ms Skye Molyneux

Date received: 23 May 2018

I would like to submit my reasons for not supporting a the new stadium proposal.

These are due to

- choice of location - we should nurture more facilities in the west.
- fast tracked planning process • increased traffic congestion
- funds could be better used on other infrastructure
- it is a waste of money for a few that comes at great cost to many
- continued disruption to community - I'm sick of the constant building in our area!
- the Government's failure to engage in any meaningful community consultation
- the Government's unwillingness to release the strategic business case to justify the proposal

It just doesn't stack up especially considering the fact that the Govt won't commit to providing much needed schools in the area.
