INQUIRY INTO SYDNEY STADIUMS STRATEGY

:

Name: Nestor Moreno

Date received: 24 May 2018

As a volunteer, coach and committee member of a local sporting organisation, I can emphatically state that the money is better spent on upgrading and building new sports facilities for local clubs and grassroots sport.

Just like the upgrades to the SCG, the main beneficiaries are members and better connected people rather than the general public.

We will mobilise our club to spread the word about our money not being spent on us.
