I object to the choice of location on the following grounds: this is already a congested area of city with no demand for such facilities.

this rebuild is not about sports – it's about creating a multi-complex entertainment precinct.

the fast-tracking by the Government, such that it appears to seek stadium demolition approval before the next election.

poor benefit-cost ratio.

disruption to and impact on parklands and heritage areas, both by the build and ensuing events.

and

the SCG has not shown it can properly maintain a building - why should our money be given to have this reoccur?
