I wish to voice my objection to the appalling waste of public money involved in the proposed destruction and re-build of the Moore Park Stadium.

1. A major sports and entertainment facility should no longer be in the congested eastern suburbs, where the public transport is inadequate. The demand for such facilities is clearly in Western Sydney.
2. If the Government is attempting to create a multi-complex entertainment precinct at Moore Park, this is the wrong location. Western Sydney has much greater demand and fewer facilities. Again, why is this not located in the centre of population in Western Sydney, where there is a much greater demand and significantly fewer facilities?
3. The Government appears intent on rushing the process the planning process though so work can begin before the next election.
4. The Government has not released the strategic business case to justify the proposal
