**INQUIRY INTO PROVISIONS OF THE FORESTRY
LEGISLATION AMENDMENT BILL 2018**

Name: Mrs Myrelle Hurst

Date Received: 29 May 2018

I am a licenced Wildlife Rescuer and Carer. I am appalled by this proposed logging, and the complete disregard for our precious Wildlife and Habitats that are already under enormous stress through deforestation, habitat disconnectivity, human interference. We have to protect what is left, if this evil plan goes ahead then it is doomsday for most of our unique Wildlife and Habitats. For once treasure our beautiful land and unique Wildlife.
