**INQUIRY INTO PROVISIONS OF THE FORESTRY
LEGISLATION AMENDMENT BILL 2018**

Name: Mr Philip Reynolds

Date Received: 29 May 2018

I am a wildlife rescuer with Northern Rivers WIRES. I do not support the clearing of any more native vegetation and will cast my vote with this position in mind in any future elections. A large range of native animals are already facing the very real risk of stress related illness, physical injury and death due to threats to habitat, leading to an increasing number of species extinctions. A situation that anyone who values what is truly unique about our Country will surely find shameful.
