**INQUIRY INTO PROVISIONS OF THE FORESTRY
LEGISLATION AMENDMENT BILL 2018**

Name: Mr Jens Krause

Date Received: 29 May 2018

As an active wildlife rescuer I am very concerned about the proposed bill. I do not support it, as our wildlife needs more protection, not less. Habitats for our wildlife reduces constantly via more and more land clearing and development. More forests need to be protected, not less. Please do not pass that bill.
