**INQUIRY INTO PROVISIONS OF THE FORESTRY  
LEGISLATION AMENDMENT BILL 2018**

**Name:** Ms Greg Spencer

**Date Received:** 29 May 2018

I do not agree with this new legislation and wish to express my concern about NSW's land clearing and deforestation laws. Biodiversity is essential for all life on earth. Governments need to end their short sighted policy making and start treating their constituents and the natural environment with respect. Not everyone believes the rhetoric and token gestures repeatedly dolled out to the public.
