**INQUIRY INTO PROVISIONS OF THE FORESTRY
LEGISLATION AMENDMENT BILL 2018**

Name: Mrs Megan Huett

Date Received: 30 May 2018

Our Koalas are disappearing! I live in a rural area with gum trees and I have noticed the lack of Koalas that used to inhabit this corridor. I have not seen one Koala in the past year. The new Pacific Hwy is now being put through a large Koala habitat at Wardell which was previously a forest inhabited with 100's of Koalas but now most of the trees have been felled to make way for the Highway. We are told that there will be re-planting once the Highway is finished but trees take a long time to grow and the Koalas will be long gone!
