**INQUIRY INTO PROVISIONS OF THE FORESTRY
LEGISLATION AMENDMENT BILL 2018**

Name: Ms Lyndal Breen

Date Received: 30 May 2018

Dear Committee members:

I am strongly opposed to changes in land clearing laws including those under the Provisions of the Forestry Legislation Amendment Bill. Between the changes already passed and this Bill, it seems that protection and conservation of native forests has been set aside in favour of private profit. The loss of habitat will contribute to further reductions in land available to serve as habitat for the many threatened species in NSW. Laws need to be strengthened to protect and to promote further preservation of native vegetation.
