**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Name: Mr Larry Vincent

Date Received: 19 June 2018

This project has - - failed in its communications about the dreadful removal of our 150 year old heritage listed ANZAC trees [which are part of listed war memorial]. - not justified why so many other trees have been removed along the route. - withheld information regarding spurious capacity figures and the expected longer journey times of the light rail from Randwick to Circular Quay.
