**INQUIRY INTO IMPLEMENTATION OF THE NATIONAL
DISABILITY INSURANCE SCHEME AND THE PROVISION
OF DISABILITY SERVICES IN NEW SOUTH WALES**

Name: Mr Anthony Nechvatal

Date Received: 9 July 2018

my twin boys are in to second plan ,after begging to get a review date we received this years plan both boys got less funding then last year resulting in a major cut in services especially on short term breaks and overnight stays,also are improved daily budget was cut in half leaving me to juggle allied health services and how many sessions we have for the year, i have asked for a review and have made 3 complaints going back to january this year and have had no feed back from ndia ,it is a joke we are speaking to centrelink call staff who have no idea and powerless to get ndia to answer complaints or answer questions
