

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST  
LIGHT RAIL PROJECT**

**Name:** Name suppressed

**Date Received:** 8 July 2018

---

Partially  
Confidential

The Light Rail Construction was a hastily ill planned project which has been disastrous for businesses, environment, the public, communities and for the government. It has become a financial monster for Government and the tax payer, a prolonged and utterly inconvenient development for transport and motorists. It's only benefit so far is to provide the government lengthy awnings to sprout their propaganda "we are building a better future for Sydney".
