LIGHT RAIL PROJECT**

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

1) numerous businesses along the whole track disrupted with reduced foot traffic causing loss of income, financial distress and closure in some instances. 2) destruction of trees which took hundreds of years to grow 3) investment in old technology – this should have been an underground railway rather than revisiting tram tracks with electric wires overhead. It's ugly, slow and pointless.

Thank you for considering my Submission.

Yours sincerely,
