LIGHT RAIL PROJECT**

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: the adequacy of the government's response to the financial impact and diminution in social amenity caused by the project on residents and businesses including access to financial compensation and business support services, the appropriateness and adequacy of the financial compensation process established by the assessment process and consistency of outcomes, the effectiveness of the government's communication with residents and businesses concerning project delays and financial compensation, and any other related matters

Its shocking these trees have been lost...

Thank you for considering my Submission.

Yours sincerely,
