LIGHT RAIL PROJECT**

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

Our ancient trees are such a integral part of the Sydney landscape and I believe that we need to do everything possible to retain them against the barrage of new development that always prefers to weird a chainsaw than find a sensitive solution. With climate change looming we need trees and we need to add more to our environment as well as protect the ones we have. Please help on this matter..

Thank you for considering my Submission.

Yours sincerely,
