Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: The destruction of beautiful trees planted to commemorate the soldiers of the WW1 along the iconic Anzac Parade and other major roads of Sydney. My grandfather was one of those soldiers who fought in France for Australia 1914-18. How sad that these trees have been shamelessly chopped down, trashing a once beautiful city. Some cultures honour trees, especially memorial trees. Not Sydney. Nothing is sacred. Progress is relentless. Cut down Paradise and put up a parking lot – or a tramway. How sad, a beautiful city murdered – death by a thousand chops. Please explain how this could have happened. And please stop this mindless destruction of a once beautiful city.

Thank you for considering my Submission.

Yours sincerely,
