MY PERSONAL DETAILS ARE CONFIDENTIAL

I wish to make a late Submission and would appreciate if you could accept my late representations.

My concerns follow: The loss of trees along Anzac Pde , Alison Rd and other areas along the route.

Unexpected changes to the position of the route eg changes near Randwick Race Course

The water ways at Centennial Park which might effect the migration of eels to the sea The road disastrous disruptions Loss of business in the route area If we have to have a light rail it should extend to La Perouse to service the large housing impact on the former Prince Henry site

Thank you for considering my Submission.

Yours sincerely,
