

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: How this project and the public's concern over the impact and loss of flora were not listened to.

This project appears to have been ill thought out. The budget used on this could have been put to better use.

It totally appears to myself and many others that this current government are following their own agenda and not what is best for the people. This includes the Taronga Zoo debacle as well. I do not trust this party at all. They are totally self-serving.

Thank you for considering my Submission.

Yours sincerely,
