

**INQUIRY INTO IMPACT OF THE CBD AND SOUTH EAST
LIGHT RAIL PROJECT**

Name: Name suppressed

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow:

My concerns have been put in writing previously and an offhanded reply was given . My concerns are following :

The trees cannot be replaced . They are a large part of the Australian history . This history and the meaning behind it it is now destroyed . As a child I played and walked here . There are little enough trees in Sydney and I find it a complete disgrace . My grandchildren now live in the eastern suburbs of Sydney and will never see these great grand trees and the wildlife they support . The area is now an ugly shame . The mental , physical well-being of residents in general of the inner city of Sydney is also effected and not in a good way . The light rail was not a success before and has a history of problems and why over the top of trees .

Thank you for considering my Submission.

Yours sincerely,
