LIGHT RAIL PROJECT**

MY PERSONAL DETAILS ARE CONFIDENTIAL

Thank you for the opportunity to make a Submission to the Inquiry.

In particular, I am concerned about the impact on local business and communities as a result of the project.

My specific concerns follow: Developments being able to cut down tree's and clear public land all in the name of progress has to stop, the light rail has made the outer rim of Centennial Park along Alison Rd a treeless road filed with poles and wires it's really quite unbelievable that it was allowed I can only conclude the state government is ruled by the developer's dollar and not the welfare of the state.

Thank you for considering my Submission.

Yours sincerely,
